

Science Week 2026

EYFS

Dinosaur Swamp

Is it a liquid or a solid?

In 1P...

Oobleck with a twist

In 1K...

Bubble Wands!

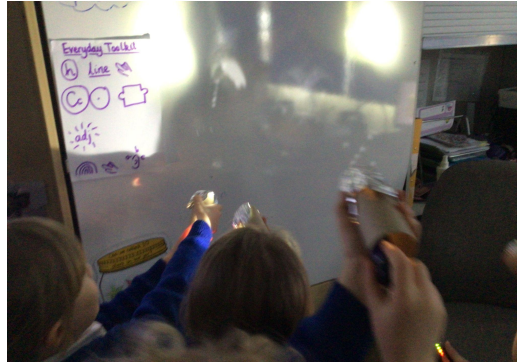

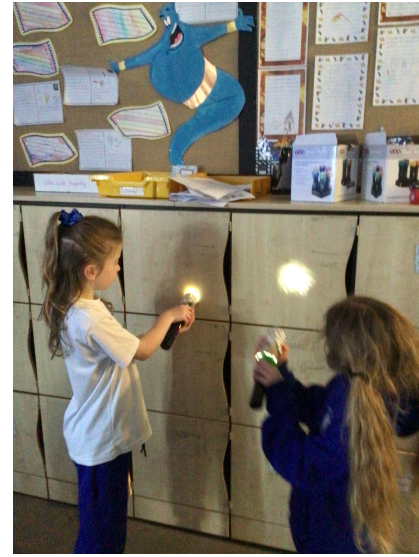

In 2H...

The Great Tin Foil Boat Challenge!

In 2BW...

Star Constellations!

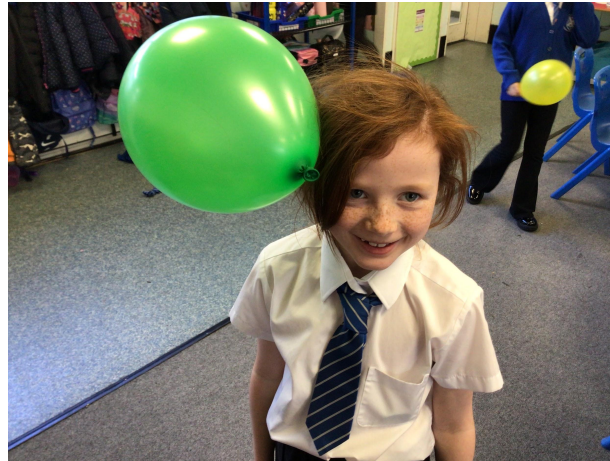

In 3W...

**We made
water
balloon
jackets!**

In 3C...

We have been using balloons to explore **Chemistry, Physics,** and **Electricity.** We made a chemical reaction, a balloon rocket and lots of hair-raising static electricity!

In 4M...

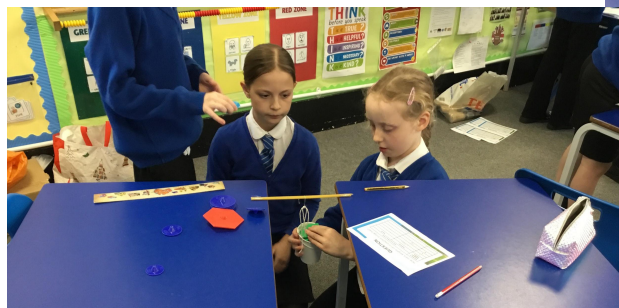

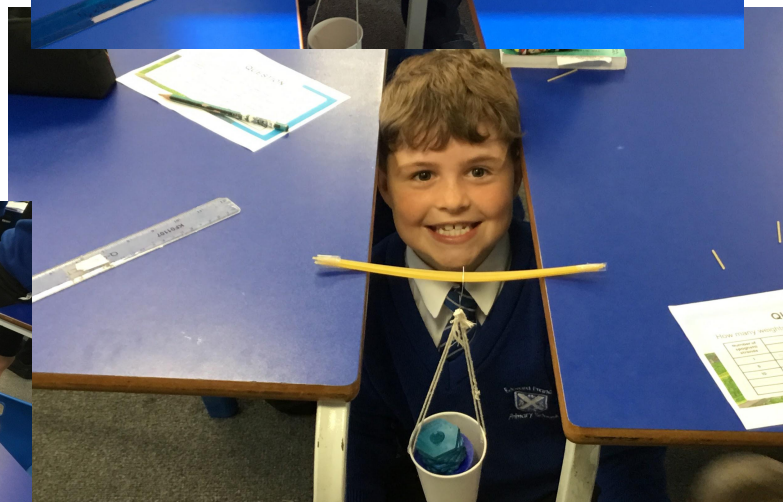

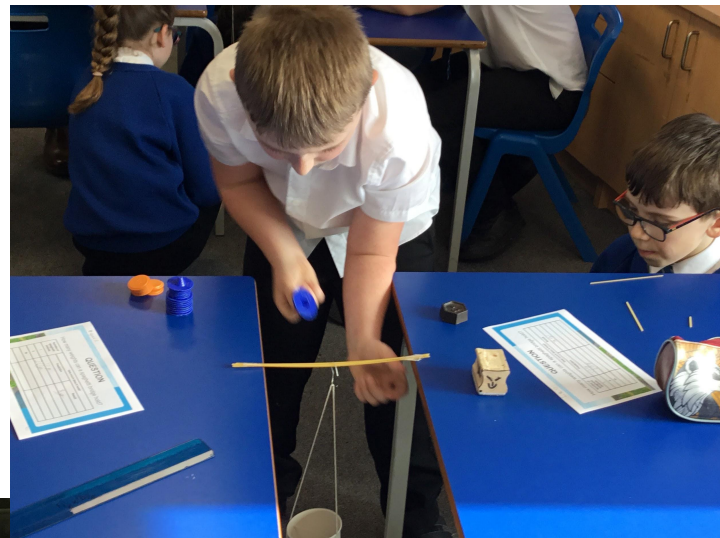

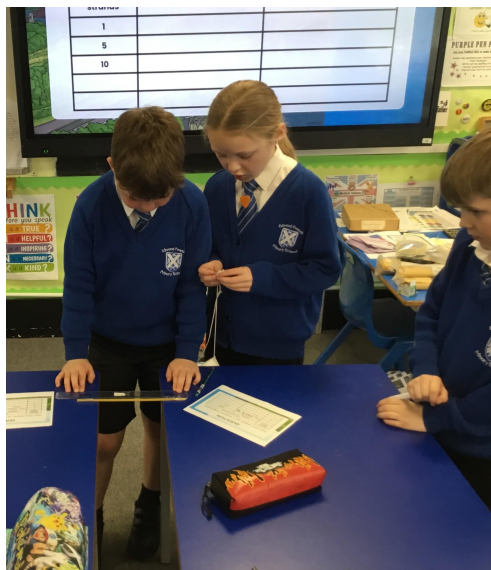

Testing parachutes!

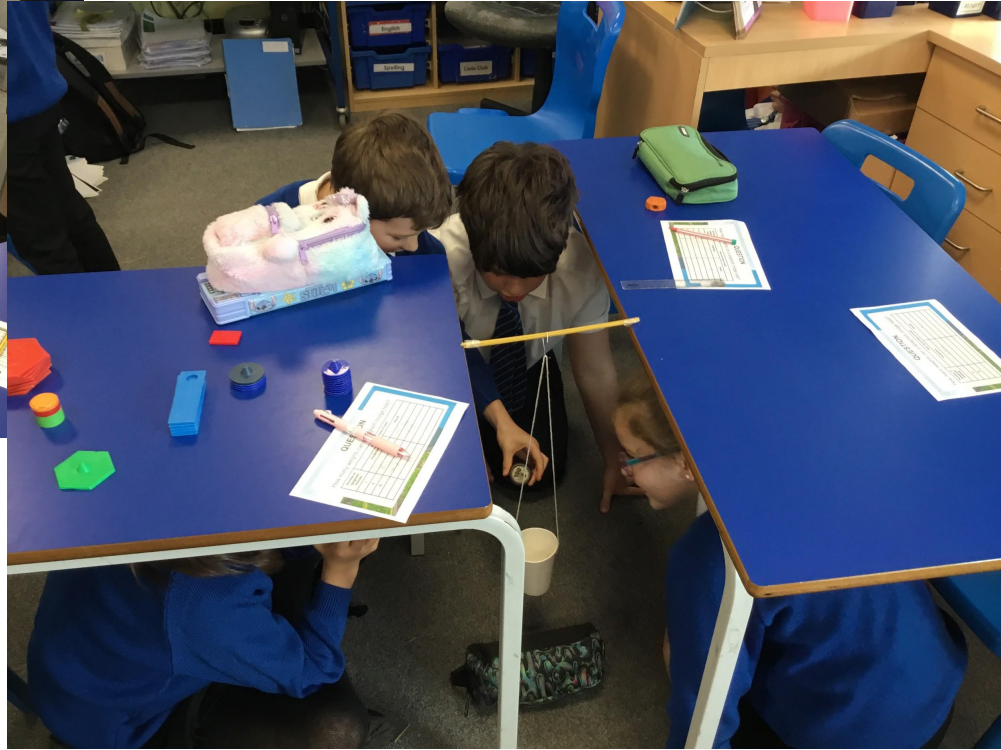

We made parachutes!
We used different
materials to see which
one was best at catching
the air. We timed them
to see which one stayed
up the longest.

In 4H...

Spaghetti bridges!

In Year 5...
(6H and 5AS)

Why and how do birds build nests? We built our own nests and tested them against the elements.

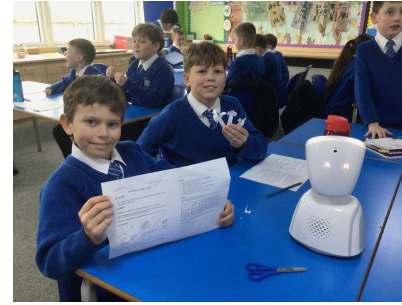

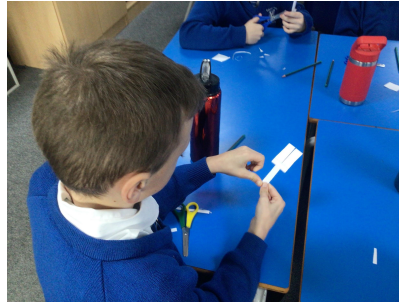

In Year 5... (6R and 5J)

Why and how do birds build nests? We built our own nests and tested them against the elements.

In Year 6 (Year 5 Pupils)...

Investigating
sycamore seed
wing shape.
Which wing
design best
disperses the
seed?

In Year 6 (Year 6 pupils)...

Investigating
sycamore seed
wing shape.
Which wing
design best
disperses the
seed?
